

# Lauren Barwick

4-Star Senior Instructor

October 6 - 9, 2016  
Zimmerman, Minnesota

*Lauren is a Licensed Parelli Professional, 4-Star Senior Instructor who has worked directly with Pat for over 7 years. This gives her an acute edge in connecting horse psychology to excellence in any horse sport. Her **Bridging the Gap™ Horsemanship** is a direct result of her never ending pursuit of excellence at every level in her horsemanship.*

Lauren is a Paralympic Gold and Silver medalist. Her competitive Dressage pursuits include multiple Paralympics, World Games, Open European Champions—just back from competing in the 2016 Paralympics in Rio. Never one to rest on her laurels, Lauren has taken up the new sport of Para-Reining, competing for and winning two titles in 2015.

Lauren's interest in multiple disciplines is more than cross-training, it is truly Bridging the Gap to find the best ways to help you and your horse find excellence in whatever your interest is with your horse.

In this 4-day **Bridging the Gap Horsemanship Clinic**

Lauren introduces freely forward, transitions without reins, soft feel/soft touch, rhythm and relaxation, stretching, bio-mechanics of horse and rider, as well as building confidence in horse and rider. This is a great clinic for the pleasure rider who wants to help their horse use themselves better, and for the more advanced rider to enhance their foundation in refinement, finesse and Dressage.

Each day includes theory lecture, morning group session and afternoon private lessons. Lauren ensures that you understand what each refinement feels like, and go home knowing what you and your horse are capable of.
